Michael Lefkowitz

WHAT EVERY BUSINESS OWNER NEEDS TO KNOW

PLAN NOW FOR THE SALE OF YOUR BUSINESS
TO MAXIMIZE IT'S VALUE

Selling your business is the ultimate goal of every business owner. You've spent years creating something from nothing, investing hours of sweat equity in building it from the ground up, planning every detail, big and small. Now it's time to let go, to make a graceful and hopefully profitable exit. Of course that's assuming you can sell your business at all.

- The typical business owner wants to sell after 5 years
- Only 20% of businesses on the market actually sell
- Learn 4 common mistakes that business owners make and how to fix them
